ACE11 green ribbon recipients announced

(DENVER, CO) – The [American Water Works Association](http://www.awwa.org) (AWWA) has announced the recipients of its Green Ribbon Award. Recipients will be designated with a green ribbon on their exhibit booth during AWWA's Annual Conference and Exposition (ACE11) at the Walter E. Washington Convention Center in Washington, D.C., June 11-16.

Criteria for the award included either an ISO 14001 Environmental Management Systems certification, or a combination of environmental programs, policies and initiatives. Based on the criteria, recipients were determined by AWWA's Manufacturers/Associates Council.

Recipients of the 2011 Green Ribbon Award are American Cast Iron Pipe Co.; ADS Environmental Solutions, Inc.; Ameron International; East Jordan Iron Works; EBAA Iron, Inc.; Electrolytic Technologies Corp.; Fairmont Water Solutions; Flomatic Corporation; Ford Meter Box Co.; Georg Fischer Central Plastics, LLC; Griffin Pipe Products; Hach Company; High Country Fusion; Master Meter, Inc.; Mazzei Injector Corp.; Mitsubishi Electric Power Products, Inc.; MWH Constructors; Neptune Technology Group, Inc.; NSF International; Orica Watercare, Inc.; PAX Water Technologies, Inc.; Performance Pipe; Schneider Electric; Severn Trent Services; Sieglock Systems, LLC; Trojan Technologies; Veolia Water Solutions & Technologies; and the U.S. Environmental Protection Agency's Office of Water.

For more information about ACE11 and a full list of exhibitors, please visit www.awwa.org/ace11.

###

AWWA is the authoritative resource for knowledge, information, and advocacy to improve the quality and supply of water in North America and beyond. AWWA is the largest organization of water professionals in the world. AWWA advances public health, safety and welfare by uniting the efforts of the full spectrum of the entire water community. Through our collective strength we become better stewards of water for the greatest good of the people and the environment.
